## ORGANIC PRODUCE DIRECT FROM THE FARM TO YOU AVAILABLE WEEKLY

### WHAT IS CSA?

CSA or Community Supported Agriculture is an alternative marketing technique where farmers sell a variety of products to a subscribed number of people. The clients receive the freshest, and in this case *organic*, produce at prices below retail. Thus, our local farming and community members support each other. High quality organic Big Island and O'ahu produce supplied to resorts and fine restaurants is now available to you through CSA.

Makahiki boxes vary each week, depending on what's available from the farms. They usually include exotic salad mix, cooking greens, sprouts, avocados and bananas. They may also include leaf lettuce, bok choy, fresh herbs, eggplant, beets, corn, cucumbers, citrus, papayas, poi, taro, and other seasonal items. Our Makahiki boxes now come in six options:

- Individual (variety of vegetables, greens and fruits)	\$22 weekly
- Greens (contains leafy greens and sprouts)	\$22 weekly
- Fruit (contains fruit only)	\$27 weekly
- Gourmet ("Individual" plus specialty items such as sprouts, eggplant, etc)	\$27 weekly
- Family (contains larger portions and variety)	\$32 weekly
-Salad (1 pound salad plus sprouts or avo)	\$16 weekly

**DELIVERY:** Makahiki boxes are dropped off at specified locations on O'ahu.
